STUDY IN QUEBEC

Quebec, Canada's largest province, is a leader in vocational training. Choosing Quebec gives you access to more than 100 high-quality academic programs focused on learning a trade. Skills training programs are short and teach practical skills sought by today's employers. The various programs have graduation rates up to 90% and provide fast access to well-paid jobs throughout Quebec.

WORK IN QUEBEC

Your vocational training studies give you the opportunity to work during and after your studies, and thus to obtain initial work experience abroad.

CHOOSING VOCATIONAL TRAINING IN QUEBEC MEANS:

- Access to an off-campus and postgraduate work permit* to be able to live in Quebec during and after your studies, thereby obtaining initial work experience abroad
- The opportunity to work anywhere in Canada
- The benefit of good working conditions
- Access to well-paid jobs

LEARN ANOTHER LANGUAGE

Many language programs available online and in schools in your country and Québec have been developed to help you acquire the knowledge necessary to study in French or English.

LIVE IN QUEBEC

Choosing Quebec ensures a quality of life among the best in the world, one that combines modernity and tradition with a dynamic economy and unmatched cultural life.

QUEBEC OFFERS YOU:

- A modern, safe society open to the world
- A stimulating learning and work environment
- Stunning landscapes that change with the seasons
- A friendly, welcoming, multicultural population
- An affordable cost of living
- A wide variety of cultural activities
- Immigration opportunities

A WORLD OF POSSIBILITIES!

+90 VOCATIONAL TRAINING PROGRAMS OPEN TO YOU

CHECK YOUR ELIGIBILITY

TO BE ADMITTED TO A TRAINING PROGRAM IN QUEBEC, YOU MUST MEET THE FOLLOWING CRITERIA:

- Be at least 18 years old upon arrival in Quebec
- Have knowledge of the language of instruction (intermediate level)
- Have completed the required level of education
- Have sufficient financial resources to meet your needs (and those of your family if applicable)

	LIVING COSTS (ESTIMATED FOR FIRST YEAR)	COST OF TRAINING
One adult	CAD\$15,000	Dependent on program chosen
Two adults	CAD\$21,000	
Two adults and one child	CAD\$24,000	

WE'RE HERE FOR YOU!

Éducation internationale covers most French and English-language school boards with associated vocational training centers. We are mandated by Québec's Ministère de l'Éducation et de l'Enseignement supérieur to coordinate promotion of vocational training programs abroad.

Through its **Québec métiers d'avenir** service, Éducation internationale guides you through the various steps in the process of carrying out your plan to study in Canada. Whether you need to find housing or a school for your children, obtain medical insurance coverage, open a bank account, or buy airline tickets, our team will guide you through preparation for your arrival in Canada and immigration procedures, at absolutely no cost!

For information, contact us at admission@education-internationale.com

WHY QUEBEC AND NOT SOMEWHERE ELSE?

*For the general quality of life it offers! For its beautiful landscapes!
The wonder at how vast the province is! And the snow... that's the very first
thing we see! We are impressed.*

*Once you decide on a program, Québec métiers d'avenir takes direct charge
of finding the right training centre for you. Their assistance is priceless!*

WHY STUDY IN QUEBEC?

*I chose Quebec for the quality of its academic system. Courses are taught
by seasoned professors with years of experience in the field, who do
everything to teach students all they will need to know in the labour market.
These professors have a calling to teach.*
