PLEASE NOTE: You must pay a non refundable file processing fee. **Your file will not be processed until this fee has been paid.**

Once we have received your payment, we will verify that your file is complete and acceptable. We will contact you if this is not the case. It should take us about 4 to 10 working days to analyze your complete admission file.

You are advised to indicate a preferred region of Quebec where you would like to carry out your studies. Check in the tab of the program that you have chosen to know in which region(s) it is being offered. However, we cannot guarantee that you will be admitted to the region you have indicated as your preference.

Please, **carefully** read the Tuition fees Payment and Refund Policy for [international students](#) and [Canadians and permanent residents students](#).
